WORKED THE EQUITABLE.

William Daly Charged With Forging Policyholder's Signature.

(By Associated Press.)
NEW YORK, May 9.—William Daly was arrested in Stroudsburg, Pa., today, charged with the larceny of \$27,000 from the Equitable Life Assurance Society in this city by the use of a forged signature of a holder of a \$50,000 policy and by conspiracy with an employee of the Equitable Society, Daly's real name is said by detectives to be Samuel Lobley, he is alleged to have operated under the aliases of Edwards, Robert C. Henderson and Father Smith.

In a statement issued by officials of the Equitable Society today it was explained that William C. Cotton, of Brookline, Mass., is the owner of a \$50,000 policy in the Equitable Society. In March, 1904, he borrowed \$27,000 on it, depositing it with the society as a security for the loan. A few months later the officials say, the policy was stolen from the vaults of the society by a trusted employee working in conjunction with Lobley, the books of the society containing the record of the previous loan were altered and Cotton's name was forged to an application for another of \$27,000. The second loan was made, it is declared, to Lobley.
